Micheal Piazza

Dear Mr. Piazza,

On behalf of the Staten Island Zoo, thank you for your recent donation.

The preparation and hot mix asphalt paving to our Broadway construction entrance and the installation and grading of millings to our Glennwood construction area assists us in the ongoing maintenance of the buildings and grounds.

The Staten Island Zoo continues to grow and so does the maintenance upkeep. The funding that is required in order for us to provide our animals the best of care and facilities has been cutback due to the present economy. This is why your donation, which is estimate at \$3000 is greatly appreciated.

It is individuals and companies like you who make the Staten Island Zoo a truly special place for this community.

Your generous contribution is very much appreciated and helps our Zoo thrive!

Thank you,

Mark Lamberti
Property/Facilities Manager
